1000 QUESTIONS SERIES (DAY - 2)

1. Select the correct verb.

I shall tell you when she.....

- a) Will come
- b) Come
- c) Comes
- d) Is coming

Answer - C

Solution - This is a conditional sentence and has two clauses, the first clause is in future indefinite tense so the other will be in present indefinite tense. So V1 with "s" comes will be used.

Read the following passage and **Answer**.

Mikhail Gorbachev's ouster, though dramatic in every respect, is on no account a surprise. Both his foes and his closest friends had been warning him of it with a heightening sense of urgency for the past several months. Its consequences, however are wholly unpredictable. The Soviet Union could well witness protracted violence on a mass scale should the reformists and supporters of the republic, those who have sought varying degrees of sovereignty for themselves, choose to defy the central authority. It is possible that the country after an initial period of uncertainty and perhaps even violence, could revert to the pre-perestroika system. Equally uncertain is the course of East-West relations.

These are bound to deteriorate though the extent of deterioration must remain a matter of conjecture. Hailed abroad as a leader who had dared to free Soviet citizens from fear, who had enabled the countries of Eastern Europe to become democracies even as they regained their full sovereign status, who had paved the way for the reunification of Germany and who had exposed the moribund and totalitarian character of communism, he appeared, at home, to come under fire from all sides.
